Early Voting Q&A for November 3 General Election

**Tuesday, November 3** is the General Election. While the major race on the ballot is for U.S. President, there are other races on the ballot for Congress, Florida State Senate and House seats, 6 Florida Constitutional amendments, countywide races, 2 County Charter questions, municipal races and three cities have municipal referendum questions.

You may drop off completed **Vote-By-Mail ballots** at ANY early voting site during early voting hours. There is a special box just for VBM ballots. The completed ballot must be prepared as if you were dropping it off to be mailed: The voted ballot placed in secrecy sleeve, which is placed in return mailing envelope, **SIGNED** and dated. It is helpful if you also include your email address and phone numbers. If there is a problem, this will allow SOE workers to contact you quickly.

**When does Early Voting begin in Broward County?**
Early voting begins on Monday, October 19 and continues through Sunday, November 1.

**What are the hours for Early Voting?**
- Every day from 7:00 am through 7:00 pm.

**What do I need to bring in order to vote?**
You need to bring a photo identification with signature. The quickest IDs to process are your Florida Driver’s License or Florida Identification Card issued by the Department of Highway Safety and Motor Vehicles. Other acceptable identifications can be found at: https://www.browardsoe.org/Voter-Information/Voter-ID-Requirements

**Why do I need to show identification with a picture and signature?**
ID required and checked at the polls is used *solely* to confirm the voter’s identity, not to verify the voter’s ID number or address. The photograph on the ID is compared to the person standing before the Election Day Worker. For 2020, voters will not sign the signature pad, as they have in the past. Instead, the voter will sign their Voting Pass with a new ink pen, which they keep. The Election Day Worker will compare this signature with the signature on the ID provided.

**What if I don’t have a picture ID with a signature?**
If the voter’s picture ID does not contain a signature, an additional document with signature may be used in combination with the picture ID.

**The address on my driver’s license doesn’t match the address in the voter registration record. Can I still vote?**
Yes, the address on the driver’s license does not need to match the address in the voter registration record. If you have moved and haven’t changed your driver’s license to reflect your new address, that’s okay. What is important is that you vote in the precinct where you currently live, no matter what your driver’s license says.
